Liz – That is awesome. Thank you for spearheading this. Not sure how you are counting but I am working on the ones you gave me and I expect to have Steve Way or Richard calling Todd Hennis if he doesn't come thru next week.

Hi Dan/Paula,

I have all of the contacts complete except for 4 owners!! But these are all locations with multiple claims and I've gotten access from the other claim owners.

2 – Richard needs to look at (legal issues) and 2 – I would like to check in with Lisa about our relationship with the local owners.

I'm pretty stoked!! 72 confirmed locations!!
